

NATIVE PLANTS APPLICATION FORM

1. YOUR ORGANISATION	
Organisation name:	
Type of organisation:	
Charity number:	(if applicable)
IRD number:	(if registered)
Contact person for this application: Name Position Telephone Email Address	
What is the purpose of your organisation?	
2. PROJECT OVERVIEW	
Describe the project that your organisation is applying for:	
Who will directly benefit from this project:	
Who is involved in your project: (e.g. individuals, groups, businesses)	
How is the project funded?	
When will the project start/finish?	
3. THE PROJECT AREA	
Location and area: (attach map/drawings of site)	
Describe the existing conditions of the area to be restored: (e.g. vegetation, wildlife, soil, topography, drainage, climate, adjacent land uses)	
Identify plants to be retained on the site: (e.g. significant plants or groupings, protected plants)	

5. SITE PREPARATION	
Identify what needs to be cleared from the site and how this will be achieved: (e.g. pest plants, pest animals, other materials, infrastructure)	
How will the plants be irrigated and are the required consents in place?	
How will the plants be physically protected and are the required consents in place? (e.g. from pests and theft)	
Outline the type of any access routes and pathways to be installed, how this is to be done and any consents required:	
Outline the type and location of any signage to be installed, how this is to be done and any consents required:	
Outline any other site preparation work to be undertaken:	
6. ESTABLISHING PLANTS AND MAINTENANCE PLAN	
For how long will maintenance be provided to ensure good plant establishment: (e.g. when the site can be mostly left to its own devices)	
Irrigation: (outline frequency and duration for establishment and maintenance of plants)	
Feeding: (outline method, frequency and duration for establishment and maintenance of plants)	
Weed and pest control: (outline method, frequency and duration for establishment and maintenance of plants)	

<p>How will the infrastructure be maintained? (e.g. fencing, irrigation, signage)</p>			
<p>7. PROJECT COMPLETION</p>			
<p>Will any temporary structures need to be removed prior to project completion? (e.g. fencing/ irrigation/ plant protectors, exotic shelter)</p>			
<p>How will you know your project has been a success?</p>			
<p>How will you measure this?</p>			
<p>Can you provide photos showing before & after shots of the project?</p>			
<p>8. ACKNOWLEDGEMENT</p>			
<p>Can you promote Te Kāhano's activities via this project and how?</p>			
<p>Will there be a representative from your organisation during planting days? If yes who?</p>			
<p>9. MATCH WITH TE KĀHANO PROJECT CRITERIA</p>			
<p>Please indicate how well you believe your project matches our application criteria using the scale below:</p> <p>4 Meets criteria 100%</p> <p>3 Meets most aspects of criteria</p> <p>2 Meets minimal aspects of criteria</p> <p>1 Does not meet any of the criteria</p>	<table border="0"> <tr> <td style="vertical-align: top;"> <p>1. Resources</p> <p>..... Site preparation and planting plan developed for project</p> <p>..... Access to regular water supply</p> <p>..... Good microclimate for chosen plants</p> <p>..... Existing vegetation available for shelter</p> <p>..... Soil suitable for growing chosen plants</p> <p>..... Staff/volunteers available to undertake site preparation, planting and monitoring for duration of project</p> <p>2. Other</p> <p>..... Site has low risk of natural disasters</p> <p>..... Plants are required for planting autumn/spring 2010</p> <p>3. Community</p> <p>..... Close proximity to local communities</p> </td> <td style="vertical-align: top;"> <p>.....Close proximity to local recreational areas</p> <p>.....Educational opportunities provided for individuals or groups</p> <p>.....The project provides volunteering opportunities</p> <p>.....The project involves other local groups or organisations</p> <p>4.
